Notes: At some time before we open this job, please present proof of resale certificate or non-profit/non-taxable so that we will not add sales tax to your invoice.

NOTE: Our price includes electronic pre-press time to position the image for the press sheet and check trapping. We make every effort to spot-check files for potential problems before output. However, our price does not include editing time to alter your files. We will notify you if an alteration or additional cost is necessary. Mac files only unless otherwise specified above. This estimate reflects price based on our interpretation of specifications. Designers' Press reserves the right to adjust price upon review of actual job.

Price Valid for 30 Days!
