

FALSE ROSEMARY
Conoclinium canadense

- 2-4' H
- Perennial shrub
- Evergreen
- Profuse blooms
- Attracts butterflies and hummingbirds

WOODY GOLDENROD
Chrysoma paniculata

- 3' H
- Perennial
- Late bloomer
- Attracts butterflies

CUCUMBER LEAF DUNE SUNFLOWER
Helianthus debilis

- 3-4' H
- Perennial shrub
- Salt-tolerant
- Attracts pollinators

RED BUCKEYE
Aesculus rufa

- Up to 15' H
- Tree
- Deciduous
- Understory tree
- Attracts butterflies and hummingbirds

RUSTY LYONIA
Lyonia ferruginea

- 8-35' H X 5-20" W
- Perennial shrub
- Evergreen
- Showy flowers
- Interesting foliage
- Attracts pollinators

PINKSCALE GAYFEATHER
Liatris elegans

- 2-4' H
- Perennial flower
- Showy flower
- Drought-tolerant
- Attracts pollinators

FLOWERING DOGWOOD
Cornus florida

- 25-30' H X 15-25" W
- Tree
- Deciduous
- Showy flowers, red fruits
- Wildfire-resistant
- Wildlife eat fruits

SCARLET CALAMINT
Calamintha coccinea

- 3' H, spreads
- Perennial shrub
- Reseds
- Showy flowers
- Bloom year-round
- Attracts butterflies and hummingbirds

BLACK-EYED SUSAN
Rudbeckia hirta

- Up to 8' H, as broad as tall
- Annual to short-lived perennial
- Reseds
- Showy flowers
- Birds eat seeds

ROSEMARY
Cerastium eroides

- Up to 8' H, as broad as tall
- Evergreen shrub
- Likes sandy soil
- Drought-tolerant
- Showy flowers
- Fragrant foliage

STOKE'S ASTER
Stachys laevis

- 6-8" H
- Perennial flower
- Winter-dormant
- Use in border
- Attracts pollinators

DWARF HUCKLEBERRY
Gaylussacia dumosa

- 1-2' H
- Perennial shrub
- Deciduous
- Showy flowers, reddish fall color
- Wildlife eat berries

INDIAN PINK
Spigelia maritima

- 2-3' H
- Perennial flower
- Winter-dormant
- Showy flowers
- Attracts hummingbirds and butterflies

DEVIL'S WALKING STICK
Aralia spinosa

- 6-12' H
- Perennial shrub
- Deciduous
- Thorns on bark
- Burgundy fall color
- Bees and wildlife eat fruits

AZURE BLUE SAGE
Salvia azurea

- 3-5' H
- Perennial flower
- Reseds
- Showy flowers
- Attracts birds and pollinators

BLANKETFLOWER
Rudbeckia fulgida

- Up to 15" H
- Annual flower
- Reseds
- Winter-dormant
- Showy flower
- Attracts butterflies and bees

GULF CROTON
Croton palmeri

- Up to 3' H, as broad as tall
- Perennial shrub
- Flowers all year
- Coastal uplands
- Attracts pollinators

FRINGE TREE
Chionochloa virginica

- 10-30' H X 8-15" W
- Tree
- Deciduous
- Showy, fragrant flowers
- Fruits eaten by wildlife

LYRELEAF SAGE
Salvia lyrata

- 1-1.5' H
- Perennial flower
- Deciduous
- Winter-dormant
- Attracts pollinators

CAROLINA WILD PETUNIA
Ruellia carolinensis

- 2.5' H X 2" W
- Perennial flower
- Winter-dormant
- Moderately salt-tolerant
- Attracts pollinators

GALLBERRY
Ilex glabra

- 10' H X 4' W
- Evergreen, slow-growing
- Acidic soils, some salt tolerance
- Birds eat berries

BUTTERFLYWEED
Rudbeckia subtomentosa

- 3-3' H X 8" W
- Deciduous, blooms all summer
- Interesting, showy flowers
- Attracts many butterflies

SOFTFAIR CONEFLOWER
Rudbeckia mollis

- 3' H
- Annual to short-lived perennial
- Flowers all summer, reseds
- Birds eat seeds

PURPLE LOVE GRASS
Eragrostis speciosa

- Up to 3' H
- Perennial grass
- Cold- and heat-tolerant
- Small birds eat seeds

SWEET GOLDENROD
Solidago odora

- 2-5' H
- Perennial flower
- Winter-dormant
- Flowers smell like licorice
- Attracts pollinators

St. Andrew's CROSS
Hypericum

- 3-4' H X 3" W
- Perennial shrub
- Deciduous
- Interesting foliage and bark

FLORIDA ANISE
Illicium floridanum

- 15' H X 8" W
- Perennial shrub, evergreen
- Shiny leaves, deep-red flowers
- Crushed leaf smells like licorice

SAW PALMETTO
Serenoa repens

- 3-8' H X 4-10" W
- Perennial shrub
- Evergreen
- Moderately salt-tolerant
- Animals eat the fruits

DARROW'S BLUEBERRY
Vaccinium darwinii

- Up to 3' H with wider spread
- Perennial shrub
- Evergreen
- Birds and wildlife eat fruits

REDROOT
Lachnanthes canadensis

- 7-20" H X 5-8" W
- Perennial flower
- Winter-dormant
- Showy flowers
- Attracts pollinators

MOUNTAIN LAUREL
Kalmia latifolia

- 6-25' H X 4-15" W
- Tree
- Deciduous
- Showy flowers
- Reddish bark
- Larval host for lupine sphinx moth

COAST SWEET PEPPERBUSH
Cnina abutilifolia

- 3-20' H X 2-5" W
- Shrub
- Yellow fall foliage
- Aromatic
- Attracts pollinators

SPANGLEBERRY
Vaccinium arboreum

- 6-25' H X 4-15" W
- Tree
- Deciduous
- Reddish bark
- Profuse flowers
- Wildlife eats berries

VIRGINIA WILLOW
Salix virginica

- 5-8' H X 6" W
- Perennial shrub/small tree
- Deciduous
- Wildlife cover, attracts pollinators

ATLANTIC ST. JOHN'S WORT
Hypericum maritimum

- Up to 2' H
- Perennial shrub
- Evergreen
- Showy flowers
- Attracts pollinators

BEAUTYBERRY
Callicarpa americana

- Up to 3' H X 6-15" W
- Perennial shrub
- Deciduous
- Showy flowers, attracts pollinators
- Jelly can be made from fruits

FLORIDA TICKSEED
Coreopsis floridana

- 2-4' H X 1' W
- Perennial flower
- Winter-dormant
- Reseds
- Attracts butterflies and bees

ASH'S MAGNOLIA
Magnolia macrophylla var. ashei

- 10' H X 4" W
- Tree
- Deciduous
- Showy, large flowers in spring
- Fragrant

GOLDEN RAGWORT
Packera aurea

- 1.5-2' H
- Perennial flower
- Evergreen
- Deer-resistant
- Attracts pollinators

NETTED CHAIN FERN
Woodwardia arifolia

- Up to 2' H
- Winter-dormant
- Beautiful fronds provide cover for wildlife

ELDERBERRY
Sambucus nigra subsp. canadensis

- Up to 15' H
- Perennial shrub
- Deciduous
- Wildlife eat fruits
- Attracts pollinators

HAIRY WICK
Kalmia latifolia

- Up to 3' H
- Perennial shrub
- Evergreen
- Forms colonies
- Likes sandy, acidic soils
- Showy flowers

SALT-MARSH FLEABANE
Pluchea odorata

- Up to 3' H
- Annual/perennial flower
- Attracts pollinators
- Used to make tea

FETTERBUSH
Lyonia lucida

- 10' H X 4" W
- Perennial shrub
- Evergreen
- Fragrant flowers, showy foliage
- Butterfly nectar plant

PINKER AZALEA
Rhododendron canadense

- 10-15' H X 10" W
- Perennial shrub
- Showy, fragrant flowers
- Attracts butterflies and hummingbirds

CARDINAL FLOWER
Lobelia cardinalis

- 3-5' H X 1' W
- Perennial flower
- Winter-dormant
- Showy flowers
- Attracts pollinators, hummingbirds

SWAMP MILKWEED
Asclepias perennis

- 3-3' H X 1' W
- Perennial flower
- Winter-dormant
- Showy flowers
- Attracts monarch, queen and soldier butterflies

TOOTHACHE GRASS
Cenium americanum

- 3-5' H, clumps as broad as tall
- Perennial sedge
- Larval host for argos skipper
- Has numbing agent

CLIMBING ASTER
Synthyris caroliniana

- Up to 20' long
- Perennial sedge
- Showy flowers
- Grow on trellis or arched supports
- Attracts pollinators

THISTLELEAF ASTER
Eurybia eryngiifolia

- 2-5' H
- Perennial flower
- Deciduous
- Showy flowers in spring and fall
- Attracts pollinators

FETTERBUSH
Lyonia lucida

- 10' H X 4" W
- Perennial shrub
- Evergreen
- Fragrant flowers, showy foliage
- Butterfly nectar plant

PINKER AZALEA
Rhododendron canadense

- 10-15' H X 10" W
- Perennial shrub
- Showy, fragrant flowers
- Attracts butterflies and hummingbirds

VIRGINIA WILLOW
Salix virginica

- 5-8' H X 6" W
- Perennial shrub/small tree
- Deciduous
- Wildlife cover, attracts pollinators

SALTMARSH MALLOW
Kosteletzkya pentaceae

- Up to 6' H
- Perennial shrub
- Winter-dormant
- Attracts pollinators

SALT BUSH
Baccharis halimifolia

- 1-1.5' H X 6-7" W
- Perennial shrub
- Evergreen in South
- Salt-tolerant
- Showy fruits
- Attracts pollinators

THISTLELEAF ASTER
Eurybia eryngiifolia

- 2-5' H
- Perennial flower
- Deciduous
- Showy flowers in spring and fall
- Attracts pollinators

FETTERBUSH
Lyonia lucida

- 10' H X 4" W
- Perennial shrub
- Evergreen
- Fragrant flowers, showy foliage
- Butterfly nectar plant

PINKER AZALEA
Rhododendron canadense

- 10-15' H X 10" W
- Perennial shrub
- Showy, fragrant flowers
- Attracts butterflies and hummingbirds

VIRGINIA WILLOW
Salix virginica

- 5-8' H X 6" W
- Perennial shrub/small tree
- Deciduous
- Wildlife cover, attracts pollinators

SWAMP MILKWEED
Asclepias perennis

- 3-3' H X 1' W
- Perennial flower
- Winter-dormant
- Showy flowers
- Attracts monarch, queen and soldier butterflies
