Show your pride for Florida’s unique and beautiful native plants by purchasing a Florida Native License Plate! This official state of Florida license plate was designed in a distinctive camouflage pattern using all native species.

Revenue from the sale of the plates will go directly to the Florida Native Plant Society to fund our work, grants and scholarships to protect and restore Florida’s native plant communities.

We must presell 3,000 plates via a voucher system before the state will start printing our specialty license plate, so buy your voucher now for you or a loved one. They make for one-of-a-kind gifts, and help spread the message and appreciation for Florida Natives!
