

2/25/23 From Cate Hurlbut Ixia to Everyone:

Ixia survey

1. Tell us what interests you about native plants and being a member of Ixia. Please mark as many as apply.

- Water-wise gardening
- Attracting wildlife
- Butterfly gardening
- Gardening for birds
- Supporting pollinators
- Aesthetic value
- Foraging / food value/ medicinal value
- Re-establishing historic ecological communities
- Advocacy / political action
- Social networking opportunities
- Field trips / outdoor recreation
- Monthly programs
- Environmental benefits
- Saving Money
- Planting what will grow - or - putting the right plant in the right place
- Lack of success with other kinds of gardening

2. How many Ixia events have you attended in the past year? Include monthly programs, field trips, Native Park workdays and outreach activities.
