

Block 1

To provide the best program for you, we have developed a survey to evaluate your experience and help improve our programs. The results of the survey are anonymous and no personally identifiable information will be shared. You do not need to answer all of the questions, and some of them may not be relevant to your experience.

This survey should take about 5 minutes and we ask that you complete it by November 15th.

Thank you for providing your valued feedback and if you have any questions, please contact Jennifer Ferngren at JennFern_FNPS@outlook.com.

For the purposes of this survey, "programs" refers to the regular monthly offerings of the Tarflower Chapter including monthly meetings and field trips.
